

Affinity Registration

Reference Manual for GAASA

The following link contains the information needed for understanding how to set up your club details to register players and coaches in GAASA.

To logon to Affinity for GAASA you will need to take the tutorials on the Ohio Youth North website then contact OYSAN to obtain a logon.

The league has changed from being a Competitive league to a CC-Competitive league. This is the only change that you will need to make when following these directions.
